

THIRD EDITION 2020

Prison Law Index is the definitive A-Z Index to Prison Law with expert contributions from Prison Law Barristers Stephen Knight, Sophie Walker and Angelina Nicolaou of the Crime and Prison Law team at 1 Pump Court Chambers in London. Covering over 400 prison law subjects, from 'Access to Justice' through to 'Zoonotic Infections', Prison Law Index has up-to-date copies of the Prison Rules, the new 2019 Parole Board Rules, and details of Prison Service Instructions, Orders and the new MOJ Policy Frameworks - along with a fully revised section on criminal appeals. Prison Law Index ensures this important subject stays within the reach of those prisoners who it empowers, and the prison law practitioners who it supports. Prison law cases and materials were spread across a myriad of statutes, orders, and case law, now Prison Law Index brings them all skillfully together, in one place, and in a way that is easy to understand.

*"This is a remarkable and much needed book which should prove invaluable to prisoners and legal practitioners alike."*

Edward Fitzgerald QC
